

# Week 2: Navigation & Noun Systems

## Days 8–14 Overview & Scheduling Map

**Week 2 Goal:** Transition from basic identification to actual interaction. By Day 14, you will master the Accusative case (direct objects) allowing you to express what you have, need, or see. You will navigate daily survival tasks like ordering food, asking for prices, telling time, and precisely negating sentences using **nicht** and **kein**.

## The 7-Day Blueprint
